Subject: Contract Negotiations Update and Wages Lawsuit

Contract Negotiations

Since our April 2010 contract negotiations update, the OCSO and CNC met on several occasions and the following articles were discussed.

- Article-5 (employee representation)
- Article-8 (layoff/recall)
- Article-9 (promotions)
- NEW Article-15 (seniority)
- NEW Article-22 (transfers)
- Article-28 (specialty/assignment/longevity pays)

No tentative agreements were made on any of these articles, however a little more progress was made on a few of these articles.

The CNC will propose a new Article-6 (grievance procedure) and Article-7 (discipline/internal investigations) to OCSO at the May 24th negotiations.

Approximately 7 tentative future negotiation dates were agreed to through early August 2010. The next negotiations update should be in late June or early July 2010.

Wages (Merit Pay) Lawsuit

The PBA and OCSO filed their final "Stipulation of Facts" to the PERC hearing officer last week. Except for unforeseen delays, the PERC hearing officer should make a ruling in 45-60 days (late June or early July 2010). The "Stipulation of Facts" and "Wages Lawsuit" are located in the upper left corner of our website at www.cfpba.org.
