Dear Mr. Tegg,

Thank you for participating in the Central Florida Police Benevolent Association's (CFPBA) political screening process. After careful consideration, the CFPBA is endorsing you as the next Orange County Sheriff. Based on your answers to our questions, as well as your vision and plans for the future, we believe that you would best serve the Orange County Sheriff's Office and our local community.

With your prior service at the OCSO, you have first hand knowledge of various problems within the Sheriff's Office and the local community we proudly protect and serve. The CFPBA is confident that you will provide a positive change in the Orange County Sheriff's Office thereby presenting timely resolution for key issues while enhancing relations with the residents, employees and visitors of Orange County.

The PBA's endorsement is one of the most difficult endorsements for a candidate to earn and one of the most highly sought after because of the strength and prestige associated with it. Congratulations on your endorsement from the PBA!

The Central Florida PBA enhances and protects the best interests of the law enforcement community while promoting professionalism which establishes a "positive mirror effect" on the community. The Central Florida PBA is a local chapter of the Florida PBA which represents nearly 36,000 law enforcement officers and their families throughout Florida.

Best Regards,
